“Lake View International Film Festival Brings Its 12th Edition to Mumbai for the First Time”

Mumbai, India – FilmyBees Cine Club is excited to announce the **12th edition of the Lake View International Film Festival**, one of the **100 Best Reviewed Film Festivals** globally, making its Mumbai debut. This two-day celebration of cinema will take place on **December 21-22, 2024**, at the **Veda Black Box, Aram Nagar 2, Versova, Andheri West, Mumbai 400061**.

Celebrating **8 years of excellence in showcasing independent films**, this year’s festival will present a stunning selection of **36 short films from 14 countries**, offering a rich tapestry of storytelling from around the globe.

Festival Highlights

- **Dates:** December 21-22, 2024
- **Venue:** Veda Black Box, Aram Nagar 2, Versova, Andheri West, Mumbai
- **Screenings:** 36 short films from 14 countries
- **Interactive Q&A Sessions:** Engage directly with filmmakers after each screening

On **December 22**, the festival will culminate in a grand **award ceremony**, honoring the **best films** screened during the event.

A Global Stage for Independent Cinema

Curated by **FilmyBees Cine Club**, the Lake View International Film Festival is celebrated for its commitment to promoting independent filmmaking and connecting creators with audiences. The festival has earned its place among the most respected platforms in the film industry, showcasing works that transcend cultural and linguistic boundaries.

Gary Panjabi, Festival Curator and Co-founder of FilmyBees Cine Club, shared, "We are thrilled to bring the Lake View International Film Festival to Mumbai for the first time. As a city that thrives on cinema, Mumbai is the perfect stage to present these diverse stories from around the world. This 12th edition is a testament to the power of storytelling and the magic of independent cinema."

Tickets and More Information
